

PROGRAMME NOTES

Blascello Multiverse Debut will be a great mixture of different music Universes. We will hear chosen works from the best cello classical music like Bach Cello Suite and Chopin Cello Sonata together with fantastic pianist -Christian Dalsgård.

In the second half of the concert the climate will totally change! Blascello using the new technology will present his own compositions with the help of special guest - Patryk Strycharczyk.

Venussia

Relationship Universe.

It's a love story. Full of subtlety, airiness, and beauty.

There are also big emotions, screams, and quarrels at the climax.

The story is about a relationship in which, despite unpleasant and turbulent experiences, two lovers still decide to choose each other.

Bolo Variation

Interdimensional Universe.

Bolo is the hero cursed over. He can't stop running. As soon as he stops, he jumps to another dimension where everything is completely different. He's running away to stay in his world. He is running away from transferring into a new reality.

Ellalem

Desert Universe.

It is about a group of bandits living in the desert. They attack passers-by spreading fear and destruction wherever they go.

Their commander, however, too often allows himself an act of forgiveness and pity, which is why he is betrayed by his companions. Buried up to his neck in the sand in the middle of the desert, he decides not to give up and survive. The piece tells about his escape, transformation, and revenge.

Toppoli

Hush Universe.

It is the Universe of Eternal Rest. Everyone who enters it experiences peace. Here, the only thing that accompanies us is reflection, relief, smile, relaxation, and the gentle sound of the wind among the trees.

DEBUTKONCERT

CELLO

MIKOŁAJ BŁASZCZYK

Blascello, the artistic pseudonym of Mikolaj Blaszczyk, is a cellist, composer, and multi-instrumentalist. Mikolaj studied at the Royal Danish Academy of Music in Copenhagen, where he obtained both a bachelor's and master's degree. He received scholarships from the Idyllwild Arts Academy in California twice in 2011 and 2012, where he studied with John Walz and was the principal cellist in the Idyllwild Symphony Orchestra under the direction of Larry Livingstone.

While his cello playing has brought him international recognition, his talent extends far beyond the boundaries of classical music. His unique fusion of styles has garnered the attention of other creators.

As a co-founder of the Cello Brothers, Mikolaj has performed in numerous concerts throughout Europe, and the group's popularity continues to grow. In addition to his work with the Cello Brothers, Blascello composes music for theater productions and films, further solidifying his reputation as a versatile and talented composer.

Blascello's upcoming solo album, "Multiverse," is set to showcase his talents as both a composer and performer. The album delivers a fresh and innovative sound, blending elements of classical, film, and electronic music.

Mikolaj's unique approach to composition is characterized by innovative arrangements, layered harmonies, and pulsing rhythms that transport listeners to another world.

Blascello's music reflects his artistic vision and passion for music, making him one of the most sought-after music creators in the industry. With a rare combination of technical proficiency, emotional depth, and production skills, Blascello's music has the power to move and inspire audiences from diverse backgrounds.

Christian Sereno is a talented Danish pianist who developed a passion for music at a young age. He earned bachelor's degree from Danish National Academy of Music and master's degrees from Katowice Music Academy, and further refined his technique and expanded his repertoire while studying in Odense. Sereno's solo repertoire is diverse and includes a wide range of styles, from classical to contemporary. His collaborations with singers highlight his versatility as a pianist and his ability to adapt to different genres.

He has performed in various venues across Denmark and

Europe, including concert halls, festivals, and private events.

Sereno's talent as a pianist has earned him widespread recognition and acclaim in the music world.

He has been praised for his flawless technique, sensitive interpretations, and dynamic playing. His performances are known for their emotional depth, musicality, and sheer virtuosity. Sereno always brings his own unique style and personality to the music, whether he's performing a classical sonata or a contemporary piece.

Patryk Strycharczyk is a graduate of the State Secondary Music School of Felix Nowowiejski in Szczecin and Syddansk Musik-konservatorium in Odense. During his education in Poland, he cooperated with many culture houses including the Szczecin Philharmonic and the Pomeranian Dukes' Castle.

In 2013, he moved to study at the Danish National Academy of Music in Odense, where he was improving his musical abilities under direction of Joel Gonzalez and Mette Hanskov. After

obtaining a master degree, he is currently studying in Soloist class in Syddansk Musik-konservatorium.

Patryk Strycharczyk is engaged in many concerts and projects on the European music scene.

He cooperated with among others: Medici TV, Odense Symfoniorkester, Esbjerg ensemble, Royal Danish Conservatory of Music, The Conservatoire International de Musique de Paris, Aoide Symphony.

He has given concerts in China and many European countries such as: Poland, Germany, Denmark, Italy, France and Norway. Patryk is a beneficiary of the Ministry of Culture and National heritage in Poland.
